

LT COL SJ DIBAL Ph.D (Rtd)

TOPIC

**GIVEN VALUE TO THE HEALTH OF VETERANS BY
ENROLLING ON DHML PORTAL**

23- Sept 26.

VETERAN DEPT QUOTES TO ALWAYS REMIND US

Yes, "eye service" is a very common expression used in Nigeria. It means pretending to work hard, be loyal, or do good only when boss, leader, or someone important is watching. It became deeply absorbed into the Nigerian civil services, corporate offices, and everyday slang to describe superficial loyalty.

VETERAN DEPT QUOTES TO ALWAYS REMIND US

But as DHML “Health for All” as the attainment by all veterans of the Nigerian Military to a good health care that will enable them live socially and economically productive lives. DHML, we are part of military veterans given good health care even when you are not watched.

INTRODUCTION

All veterans are entitled to access DHML and hospital care for any condition, as long as it's related to their service as retirees and given summary of how to get registered for health care delivery.

INTRODUCTION

Short talk designed to orient participant by introducing brief overview and objective of DHML on more detail of getting on board DHML by enrolment and to ask more about the activities of DHML, so as to help relate all information back to associations, the importance of self-care! self-care! self-care! and identify questions that has been asked by individuals expectation.

AIM

To raise awareness of health care through registration of all veterans on DHML platform as the HMO to services and our hero veterans.

OUTLINE

- **INTRODUCTION**
- **FUNCTIONS OF VHS**
- **OBJECTIVE TO THESE MEETINGS WITH
VETERANS OF THE ARM FORCES**
- **THE WAY FORWARD FOR DHML AS THE HMO**
- **RECOMMENDATIONS**

FUNCTIONS OF VHS

- Making awareness and follow up for registration and getting to understand how important to choose HCP not too far from the location they reside.
- Oversees documentation and administration of all retired armed forces personnel and their families,

FUNCTIONS OF VHS

- To advice all veterans asking for specific drugs they want even before being examined.
- Advising veterans that are told to come back when the prescribed medication are exhausted. Veterans with the mindset that all the prescribed drugs are not available.
- To advice veterans to be in contact with various state DHML offices when encounter any challenges.

OBJECTIVE TO THESE MEETINGS WITH VETERANS OF THE ARM FORCES

To strengthen relation within the mutual association groups given participant the opportunity to reflect on increase awareness of the importance of enrollment on DHML ICT department.

OBJECTIVE TO THESE MEETINGS WITH VETERANS OF THE ARM FORCES

Maintain all existing enrollment and restore connectivity where possible and improve levels of knowledge and understanding of enrollment by strengthen cooperation with the important of enrollment to reduce level of human zero believe on DHML role to heath care of veteran and services personnel.

THE WAY FORWARD FOR DHML AS THE HMO

- To establish functional and competent monitoring and evaluation systems to track progress and changes .
- Engagement of all stakeholders under the leadership of DHML to update programs and projects in order to promote compatible Framework with other HMOs.

RECOMMENDATIONS

Veterans interactive meeting with military veteran groups should look out on how to work together for veterans enrolment on DHML ICT portal with all the state offices and legion group for more information and services on how to get registered.

CONCLUSION

The veteran health services department is working to see that veterans get the best health care and attended to with all human concern and to do more for the members of the Nigerian retirees of the Armed Forces and their families, widows and to nominal all.

THANK YOU
